Description

High visibility, flame retardant, anti-static long-sleeved polo shirt designed for protection against heat, flame, and arc hazards in infrastructure and allied industries. Made from a durable blend of 60% Modacrylic and 40% Cotton with inherent flame retardant and anti-static properties, this polo shirt combines comfort, safety, and performance for demanding work environments.

Features

- Flame retardant and anti-static for enhanced safety.
- Available in sizes S - 6XL
- Protection against heat and flame.
- Hidden button collar for a neat and secure fit.
- Elastic cuffs for added comfort and secure fit.
- Inherent flame retardant fabric for long-lasting protection.
- Branding options available (heat seal and embroidery).

Conformities

- EN ISO 20471 Class 3
- EN 1149
- EN 11612
- EN 61482-2
- ATPV 6.0 cal/cm²
- ELIM 4.9 cal/cm²
