JAFCO

Description

The Jafco FlameAwear Women's Rail FR AS Arc 4kA Hi-Vis Orange Polo Shirt is engineered to deliver reliable visibility and advanced protection in demanding rail and industrial environments. Made from a performance blend of polyester, modacrylic, cotton, aramid, and anti-static fibres, this polo provides flame, heat, arc, and electrostatic protection while maintaining comfort throughout the working day. The unique flame-retardant chevron-style segmented reflective tape enhances breathability and garment stretch, supporting unrestricted movement. Finished with a smart black collar and practical 3-button placket, this polo combines professional appearance with dependable safety.

Features

- Unique flame-retardant chevron design heat-applied segmented reflective tape for improved breathability and stretch
- Made from 30% polyester, 41% modacrylic, 22% cotton, 6% aramid, 1% anti-static
- Black collar for a clean, professional look
- 3-button placket
- Heat and flame protection
- Electric arc protection rated at 4kA
- Electrostatic protection for safe working conditions
- Suitable for use in rail and allied industries
- Meets RIS-3279-TOM rail specification

Conformities

- EN ISO 20471 Class 3
- EN1149-5, IEC 61482-1-1
- EN61482-1-2:2008
- EN11612:2015
